THE POWER OF A MOTHER'S HUG

It keeps you healthier, it cures depression, it reduces stress, it's invigorating, it's rejuvenating, it has no unpleasant side effects and hugging is nothing less than a miracle drug.

Hugging is all natural. It is organic, naturally sweet, has no pesticides, no preservatives, no artificial ingredients and is 100% wholesome. Hugging is practically perfect - inflation proof, non-fattening, non-taxable, non-polluting and of course, fully returnable.

Hugging is without a doubt one of the most naturally therapeutic actions in which we can engage. Oh, how I would love to have one of my Mother's hugs on this Mother's Day.

HAPPY MOTHER'S DAY to all of our Mothers!
Give those hugs today!
