OUR PLEDGE OF ALLEGIANCE

The Pledge of Allegiance to the United States flag was created in 1892 as a celebratory remark used throughout public schools in celebration of the 400th Anniversary of Columbus discovering the New World. It has become a national oath of loyalty to our country, a motto of unity, and a defense of the American way of life.

It should be recited by standing at attention facing the flag with the right hand over the heart. Some of our Americans have disgraced our country by not properly saluting the flag. It touches my heart to see the flag disgraced by seeing it burned, thrown on the ground, and stepped on.

The first official sanction given to words of the pledge was June 22, 1942 when the United States Congress instructed the pledge to the flag be included in the United States Flag Code.

*In 1954 President Dwight D. Eisenhower approved the pledge to include “**under God.**” Our Pledge of Allegiance has been heard throughout our nation for one hundred thirty (130) years. By God’s grace may it continue to be said till Jesus returns.*

*Still proud to be an American,
